

## 6 Goals for a Thriving Practice

Our purpose is to help you achieve the following 6 goals. While these goals are not easy, they certainly are worthwhile and most importantly, they ARE possible! Here's to your success.

- Overhead no higher than 60% (ideally 50%)
- Ability to achieve Financial Independence from your practice
- A modern and current office, all the technology that makes dentistry fun for you and better for your patients, generous CE budget, a well-paid team, an effective work/life balance and still control overhead at no more than 60% (ideally 50%)
- A high-performance Team you truly LOVE and enjoy working with
- Patients you enjoy taking care of
- Treatment mix that gives you satisfaction

If you would like help achieving these goals, please send an email to:
